

IBM CLOUD REGISTER

The screenshot displays the IBM Cloud Register dashboard. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links for Catalog, Manage, and Sanjay S's Account. The main header shows 'Dashboard' with options to edit the dashboard, upgrade the account, and create a resource. The 'For you' section features a 'Build' tutorial and five other recommended resources: 'Set up your IBM Cloud account', 'IBM Cloud Migration Services', 'Build a web app with Watson Speech to Text', 'IBM Watson Internet of Things Platform', and 'Use Speech to Text'. Each resource includes a brief description, a 'Getting started' or 'Recommended' button, and a duration. The bottom section contains four widgets: 'News' with recent articles, 'Recent support cases', 'Planned maintenance', and 'IBM Cloud status' with a world map visualization.
